After spending years climbing the corporate ladder as a Marketing and Public Relations Manager and Sales Trainer at well-known telecom companies such as Metrocall, Inc., and Nextel Partners, Julie Taylor founded JAD Coaching & Consulting LLC in 2000. JAD Coaching & Consulting LLC provides coaching and consulting services to privately and publicly held companies throughout the United States.

Ms. Taylor, President/CEO of JAD Coaching & Consulting LLC, has over 15 years of successful experience in sales, marketing, training, and public relations, almost all in management roles. She has worked in a variety of industries focused on implementing and executing innovative business operations.

In addition, Ms. Taylor has a demonstrated ability to increase revenue, control expense, and utilize technology. Her core strengths are to motivate and manage people while improving market position, overall corporate image, and profitability. She obtained her coaching training from Coach U.
